GET Guidelines to Ride

Pay the right fare: Pay as you get on the bus or be prepared to show proof of having paid the correct fare and/or for reduced or free fare.

Do not distract the driver or bother others: Interfering with the safe operation of a transit vehicle is not smart and hazardous to you and everyone else.

No Smoking!: There is no smoking on buses, in shelters or in transit facilities. This includes e-cigarettes and vaping. Please do your smoking/vaping at least 50 feet away from the bus, bus shelters, and/or transit facility entrances.

Make the ride comfortable for everyone: Designated seats at the front of every bus are reserved for seniors and customers with disabilities. Please surrender your seat to these customers when they board

Use headphones and respect other's privacy: Groove, jam, rock out, watch videos. Please recognize it is your own music or video. Don't share it with others.

Use your inside voice: If you are on your phone, remember that you have an audience. Be mindful of your language, keep your voice low and keep your call brief.

Keep it clean! Respect those who will ride after you: Keep your feet off the seats. When you reached your destination, please take any trash with you. There is a waste basket at the front of the bus where you can discard your trash as you leave.

No shirt, no shoes—you know the rest: Just like in stores and other businesses, customers without shirt or shoes will be refused service

Use only G-rated words: Using profanity, racist comments or derogatory statements is not tolerated on buses. Use of this language will get you removed from the bus and subject to further suspension.

No eating, alcohol or drinks in uncovered containers: No drinking of any alcoholic beverages at any time. Non-alcoholic drinks are allowed if there are in a container with a lid.

Say no to sprawl: Your bag(s) belong on your lap or on the floor under your feet. Please leave adjacent seats open for fellow riders.

Keep "Fluffy" in a carrier: Pets are welcome on buses as long as they are kept in animal carriers. Service animals are allowed under ADA Regulations

NOTE: Any infractions of these guidelines may result in the refusal of your opportunity to ride the bus. If you have any questions or concerns, contact the Mobility Manager at (970) 350-9287
